

Expand SmartStand

Expand SmartStand is a modern, flexible marketing display with a wide range of uses. The adjustable telescopic construction makes it quick and easy to vary the height and adapt the size and message of the picture to suit your specific requirements. You can use it as a single or a double-sided display allowing you to double the impact whenever needed. Expand SmartStand is attractively designed and takes up very

little floor space. It is easy to assemble and is very lightweight. Expand SmartStand helps you market your company wherever your target group may be. Expand SmartStand is available with or without a nylon bag and lighting.

Width: 50, 60, 70 and 80 cm
