VERY Portable Graphic Display Systems

## Lifetime Warranty

EasyStands Ltd warrants EasyStands® products to be free from manufacturing defects. Our warranty protects you against any failure due to materials or workmanship **for life** - which means as long as the original purchaser wishes to use the product.

Should your product require service, simply return it to us and within the warranty period we will repair or replace, at no charge, any defects due to manufacturing, if properly installed, serviced and operated under normal conditions, according to EasyStands® User Guide instructions for use. Outside the warranty period or conditions repairs will be chargeable, and advised in advance.

EasyStands®' obligation under this warranty is limited to correcting or replacing, at its option, any equipment or parts that shall be returned by the original user, transportation prepaid, if EasyStands® is satisfied that the equipment was originally defective. Your repaired or replaced equipment will be delivered to you at our cost, wherever in the world you may be.

This warranty shall not apply to any products which must be replaced because of normal wear, which have been subject to misuse, negligence, or accident, or which have been altered by someone other than EasyStands®. This warranty is in lieu of all other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose, and no person, agent or dealer is authorized to give any further warranties on behalf of EasyStands® unless such warranty is in writing and signed by an officer of EasyStands Ltd.

### Congratulations!

You have chosen an EasyStands® product, and with it comes a **Lifetime Warranty**. We really want you to benefit for many years to come, and from all of us at the company, thank you for choosing EasyStands®.
